You must be a qualified and registered Health Care Professional or Allied Health Care Professional to attend PHICIS Level 3. Sports Therapists and GSRs must have studied to degree level and successfully completed a PHICIS Level 2, or equivalent endorsed course, before progressing to Level 3.

This is a 5-day course. There are approx. 3-days of essential pre-course online preparation required before attending the 2-day face-to-face course.

TO BOOK A PLACE, PLEASE VISIT [RFU](https://www.rfu.com)

Tick PHICIS in the drop-down box and ensure you set your search radius wide enough.
Once a course is fully booked it is no longer visible on the web site.

For more information, please contact phicis@rfu.com
