

RFU & FIRTAID4SPORT LANDING PAGE - HOW TO GUIDE

We have teamed up with Firstaid4sport to create an RFU landing page containing all the kits and refills your clubs will need to ensure they can provide first aid support at training and pitch side on match day.

How do clubs access the landing page?

The weblink to be sent directly to the RFU page is <https://www.firstaid4sport.co.uk/RFU>

We have negotiated a discount on purchases from the page for rugby clubs which they can access by registering for an account via this link <https://www.firstaid4sport.co.uk/register>

They then need to inform the Firstaid4sport team at sales@firstaid4sport.co.uk or call 0808 169 9985 to let them know that they have completed the form and they want to register as RFU clubs on the site.

Once their account is activated, they will be able to see the special RFU prices and to buy the club kits.

If clubs already have an account with Firstaid4sport they should get in contact with the team via the email address above and provide the details that the account is registered with, they will then be able to access the RFU prices.
