

“Talking Heads”

Hi

This is your chance to share with the world, who you are, where your from, why you got into refereeing, what you enjoy about it and offer any tips or advice to other young people, and hopefully encourage them to “give it a go”.

It couldn't be simpler – we would like you to use a smartphone to create a 30-60 second video/clip and send it to us. Don't worry about practising your lines, hair or make up, be as natural as you can be.

There is a guide should you require it, **but more importantly there is a consent form that must be signed and sent with your video/clip, if you want us to be able to use this on our social media pages.**

We look forward to receiving your clips and sharing your voice with others across the game.

Have a great day
