

“Talking Heads” – Guide

With the “talking head” we are looking for your support to generate a 30-60 second video using your smart phone. Make it snappy, with plenty of facial expressions that indicate you are enjoying creating the film footage and enjoying officiating.

This footage will become part of the young persons voice on our KYBO Toolkit.

The background is one of your choice if possible outdoors would be good or a plain background indoors.

It may be helpful to have these prompts in front of you, as the aim is for the footage not to appear as a question and answer session.

- a. **Saying who you are** – my names *****
- b. **School/Club/Society/University you belong to** – I am currently a member of *****
- c. **Talk about how you got into refereeing** – I got into refereeing at/ I started refereeing
- d. **What do you enjoy about it** – I really enjoy refereeing because*****it has developed my *****skills, confidence...
- e. **Your advice to other young people about having a go** – Give it a go because*****

The information above is provided as a guide, please feel free to use your words to support. Thank you for agreeing to do this and help encourage others to have a go at match officiating/refereeing.

Please send your short video and consent form to matchofficials@rfu.com **please be aware that we can only accept and use video's with consent form signed by your parent/guardians sent at the same time.**

Best wishes

Match Official Development Team
